

Title: Floating current profiler established

Port: Port of Devonport

Description:

Mariners are advised that TasPorts have established a floating current profiler in the Mersey River to the south of the Turning Circle.

The current profiler is suspended from a buoy situated approx. 20m to the south of Beacon No 15 anchored in position Lat: 41° 11.183'S, Long: 146° 21.936'E. The buoy has a fixed red light during hours of darkness.

Readings from the current profiler are available by calling **DEVONPORT VTS** on **VHF Ch 14**.

Mariners are requested to keep well clear.

Captain Wendy Doran
